

Minutes of Meeting – Summary

Moorabool Wind Farm Community Reference Group

Date: Tuesday 22/05/2018
Venue: The Aussie Bush Telegraph Café - Elaine
Purpose: Meeting No 5

Minutes:

Item	Agenda / Comment / Discussion
1	Welcome and Acknowledgment of Traditional Owners
2	Apologies
3	Declaration of Pecuniary or other interests
4	Confirmation of previous minutes as of 20th February 2018
5	Bios & emails? Discussion re whether bios of each CRG member and email addresses need to be distributed to the general public. It was decided by the meeting that this is not needed. The names of CRG members and the area they represent will be distributed.
6	Frequently asked questions (FAQ). A list of FAQs is being drafted and CRG members are asked to give feedback. Final list of FAQs will be on website and distributed widely.
7	Sponsorship. Second round of sponsorship (2018) is open until end of July and has been advertised widely. Applications will be processed by the Melbourne office and funds will be given by end of August.
8	Project Update and Questions Goldwind (GWA) provided a project update and answered questions. Topics covered were: transmission lines, timelines for north and south sections of MWF, and

	<p>communications with public re traffic management. Feedback from CRG members gratefully received.</p> <p>Please see the latest project update available on the Moorabool Wind Farm website, http://mooraboolwindfarm.com/news/</p>
9	<p>MWF Community Fund guidelines/information sheet</p> <p>It was decided there is no urgency to finalise this document. It will be worked one each meeting a bit at a time. Held over to next meeting.</p>
10	<p>AOB</p> <p>Discussions and clarifications on the screening project, noise monitoring and the complaints process.</p> <p>Local rep, Rose De la cruz, will retire at end of July. The position has been advertised and new local rep will start mid-July for the next stage of the project i.e.. Construction.</p>
11	<p>Meeting closed at 8.30pm</p> <p>Next Meeting – August 21st at Mt Wallace Hall, 6.30pm</p>
